## "Guaranteed White Christmas"

Are you dreaming of a White Christmas? KRCG-TV 13, the Jefferson City Department of Parks and Recreation, and the Jefferson City Sub Shop will guarantee, that's right, guarantee, a White Christmas for one lucky mid-Missouri family.

Here's how it works. Complete an entry form available from any of the sponsors and watch the 6:00 p.m. weather forecast on Tuesday, December 22. If your name is drawn, you will receive a truck load full of snow from the Washington Park Ice Arena (ice shavings from the Ice Arena's ice resurfacing machine) delivered to your front door step on Wednesday, December 23 - just in time for Christmas! You'll also receive a two hour private group rental at the Ice Arena which includes party subs from the Jefferson City Sub Shop.

You must live within a 15 mile radius of Jefferson City to enter the "Guaranteed White Christmas".

## You Can Rent the Washington Park Ice Arena

Group rentals are available at times when no programs are scheduled. Reservations are accepted on a first-come-first-served basis. Inquiries may be made by telephone, but reservations are not confirmed until a non-refundable \$10 holding fee is paid at the Ice Arena.

Full payment of all fees is required a minimum of one week before the scheduled date of usage and, if paid by then, the holding fee applies toward the rental fee.

A \$50 damage/clean up deposit is required in addition to the rental charges. The deposit may be waived with a credit card number. The deposit will be returned by mail approximately two weeks after the date of reservation. If any damage occurs please allow more than the normal two week processing time.

The regular rental rate is \$205/hour or \$155/hour after 10:00 p.m. Call 634-6580 and speak to the manager for information. Rental skates are \$2. Youth groups must have one adult supervisor per ten children. Maximum session length is two hours. All regular Ice Arena rules are in effect during each rental.
