PETS IN THE PARK

Unless specifically posted, dogs, cats, and other pets are permitted in City parks if they are under the control of their owner, on a leash no longer than 15 feet, and their excrement is immediately removed and properly disposed.

Dog waste stations have been placed at the dog park and in several high use areas throughout the park system providing plastic bags to clean up and remove dog excrement. The waste stations also provide another way to recycle plastic grocery store bags. Please help keep your parks clean and safe by picking up after your pet. Thank you!

PARK HOURS

Community Parks are open all year, 5 a.m. to 11 p.m. Neighborhood Parks are also open all year from 5 a.m. to sunset. Restroom facilities within the parks are available for use from April through October. Restrooms at Edgewood Greenway, Memorial, Ellis Porter and McKay Parks are open year round, weather permitting.
