Each team must have at least **eight** players to begin a game. If at any time the number of players drops to seven or less the game is forfeited except as stated in Game Procedure #4 in the rules packet.

The make-up dates listed above will be used only if the games for the entire night are canceled. Managers will be notified of reschedulings for partial games and nights that are rained out. It is ultimately the manager's responsibility to find out when canceled games have been rescheduled.

If a team forfeits a game (and the opposing team does not get to play what would be the equivalent as such) they will be assessed a \$35 reimbursement fee payable to the team manager of the opposing team, which will be deducted from the forfeit fee deposit paid at the time of registration. Prior notification of Parks and Recreation no longer exempts teams from paying the reimbursement fee.
