## WATER AND SUN SAFETY CLASSES

The Jefferson City Parks & Recreation Department encourages everyone to be safe in and around the water and to take necessary precautions to protect themselves from the harmful effects of the sun during the summer months. The aquatic staff is available to talk to area youth by visiting them at school or by setting up a field trip to Memorial Park Family Aquatic Center. Call 634-6482 to schedule your water and sun safety class. **This is a FREE program.**
