A WORD TO PARENTS...

Our lifeguards are highly trained and skilled. Their job is to assist in making our facilities a safe and enjoyable place to bring the family. However, they are not babysitters.

Parents are expected to watch their children and to assist in enforcing the policies for the safety and enjoyment of all patrons.

All children 8 YEARS OF AGE AND YOUNGER must be accompanied and supervised by a person 15 years of age or older.

DIAPER POLICY

In an effort to keep our pool free of fecal matter, toddlers are required to wear swim diapers or plastic pants. Swim diapers are the safest barrier between your toddler and the water.

These guidelines have been adopted for the health and safety of all who swim at our facilities. If your child has been sick with diarrhea please keep them at home until they are well. You may purchase swim diapers at either pool for \$1.50 or bring your own.

INCLEMENT WEATHER POLICY

When inclement weather occurs, aquatic staff will remain at the pools and attempt to re-open the pools as soon as possible.

If patrons remain at the pool, and we are unable to re-open after 45 minutes, a pass will be issued for one free future admission with proof of receipt. This policy is in effect until one hour prior to official closing.

For pool closing information, call the Parks and Recreation Hotline, 634-6485.
