

PROPERTY INVENTORY

Items that should be logged include items engraved or identifiable as belonging to you as the victim (i.e., permanent marker, paint, engraved driver's license number, location of damaged areas). Detailed description of jewelry pieces should be entered individually. All information should be legible and complete to the best of your ability. All items should be photographed and receipts filed with this form. If your property is located, it cannot be returned to you without proper identification and will be sold at auction. **PLEASE PRINT**
